**PIONEER PRODUCER**—Sam Goldwyn, who is celebrating his 40th year in the motion picture business by producing what he considers the top film of his career, "Hans Christian Andersen."

## GOLDWYN, RESTING HERE, DODGES 3-D QUESTIONS

Sam Goldwyn, the man who has watched movement, sound and color come to the screen during his 40 years of picture making, proved non-committal on the subject of 3-dimensional films when he was interviewed this week at the Racquet club bungalow where he has been staying for the past month. Admitting that adding depth will

probably be another step in the evolution of the silver screen, he said producers would just have to try out the different methods and see which one works the best.

Since he has been on vacation, the pioneer producer has not seen "Bwana Devil," first 3-D attempt, but said he plans to do so upon returning to Hollywood.

**GEORGE WASHINGTON** I haven't got a hatchet. And I never chopped a tree. I tell some damned good falsehoods.

But George's the man for me. One thing in my favor, however, I've planted some trees and I never get away with my fabrications, especially at home.

**OPENING OF THE INDIO FAIR** is as good a time as any to revive one of my favorite stories. . . . Concerning Harry Oliver (Desert Rat Scrapbook) . . . Oliver, noted movie set designer before he decided to hole up at Thousand Palms, designed the setting for the Date Festival stage . . . He wanted some authentic Arabic writing on the door . . . So sent to the Near East for a copy . . . He put it up on the door . . . And found that it read "Open the Door, Richard" . . . A song popular at the time . . . And for some of the newcomers here who don't know the legend, Oliver once, with the late Will Rogers, made up a number of peg-legs, weathered them, and scattered them over the desert, giving rise to count- less rumors that the famed lost Peg-Leg Smith mine was thereabouts in a dozen scattered spots.

**COMES A LETTER** from a guy who signs himself "Your Friend, ? Sidney" . . . Says he, "You have done a lot of good in your column, except on the weather and the finish of a horse race . . . I wish you would take up the following: How about a local man for chief of police? We have some on the force who are thoroughly capable . . . We should have someone who knows the people of this town . . . Not someone from out of town." . . . O. K. Sidney, you may have something there.

**NEXT MONTH** a number of noted cardiac specialists are going to Nairobi in Africa to study the giraffe in his native haunts . . . They want to find out how a giraffe's heart can pump blood up 18 feet . . . Something which is said to be physiologically impossible but which the long-necked animal does with ease . . . Their research is expected to aid in combating the nation's number one killer—heart disease . . . The youngest research specialist in the expedition is Dr. John Graettinger, USN, Pensacola, Florida . . . That's the reason I am pecking out this item on my old beaten-up Woodstock . . . Dr. Graettinger's father and mother live in Palm Springs . . . Where his dad ekes out a living on The Desert Sun.

## Warn Trailer Users Against Illegal Parking

Heavy Penalty for Parking on Indian Lands

Illegally parked trailers on Indian owned land will have to be moved or owners will face a possible penalty of \$300 or three months in jail, City Manager Russell Rink warned today.

Constant enforcement is being conducted against this violation of the city's zoning ordinance, he said. Trailers are only authorized in licensed parks in properly zoned areas.

Rink was informed by Lawrence Odle, Indian agent, that more than 50 trailers are presently illegally parked on Section 14.

If they are not moved, Odle said, the Indian owners of the land will be considered an accessory to the violation. He asked immediate action from city authorities.

## Four Apply for Chief of Police Position in City

Four applications have been received so far for the position of police chief to succeed August G. Kettmann, who resigned effective February 28, City Manager Russell Rink announced today.

Notices have been sent to various agencies which send out bulletins to law enforcement and city agencies, and with the response to date many more applications are expected, Rink said.

No date has been set for the selection of a new police chief. Capt. Orest Johnson will be acting chief during the interim period.

## Equestrians

To Ask City to Preserve Trails

Representatives of riding organizations and others interested in preserving riding and hiking trails around the Village will meet at 4 p. m., Friday, February 27, at the Desert Inn Fiesta House to prepare a formal request to the city planning commission to include trails in their master plan under preparation.

A meeting was held Friday at El Mirador where the matter was discussed, and all representatives agreed that some action must be taken or riding trails and the western atmosphere for which the Village is known will be a thing of the past.

Continued growth of the city through subdivisions is eliminating many trails, it was explained by Anthony Burke, round-up boss of the Desert Riders. "We must take action now to insure that riding trails will be available five to 10 years from now for the entertainment of visitors and residents."

Present at the meeting were Burke, Ed McCoubrey and Ed Slocum, all representing Desert Riders; Jimmy Cooper, president of Los Compadres; Clifford Campbell, Palm Springs Mounted Police; Lawrence Odle, Indian agent; Lloyd Mason Smith, Desert Museum director, and Dave Hamilton, assistant city planner.

## Gasoline Prices Mount in Village

Gasoline prices in the Village have increased from 1.3 cents for regular to 2.4 cents for regular and ethyl, local dealers reported Tuesday.

Of four stations reporting, the least increase was 1.3 cents, two were 2 cents, and the fourth was 2.4 cents.

Current prices range from 28.8 to 29.9 cents for regular, and 31.3 to 32.9 cents for ethyl.

Price increases followed President Dwight D. Eisenhower's decontrol of the price ceiling on oil products.

It may sound silly to the rest of the world—but it's true, Palm Springs has so many swimming pools the city is going to request that the Census Bureau make a count of them during the special census scheduled here this Spring.

Numerous figures are being used for publicity purposes, and the Chamber of Commerce is joining the city in the request,

to secure one definite and correct number.

After the census, Rink said, the number can be kept up-to-date as permits are issued for each new pool.

The Chamber of Commerce also has requested the Census Bureau to make a count of the number of hotel and motel rooms in the Village, and the number of sleeping accommodations available.

No definite word has been received by the city as to when the census will be conducted, but it is expected to be early in March.

(Desert Sun photo)  
**CONFUSION**—City Planning Commission has taken under study a request by Police Chief August G. Kettmann to eliminate future and present duplication of street names. An example is pictured above, San Jacinto drive and San Jacinto Way, and there is still another, San Jacinto trail, where signs have yet to be erected. All are in different sections of the Village.

## DUPLICATION OF STREET NAMES HERE CONFUSING

Request of Police Chief August G. Kettmann for a study to eliminate present and future similarity of street names has been referred to the Planning Commission.

Kettmann, in a letter to City Manager Russell Rink, asked for a careful study of future street names as much duplication has occurred. He also suggested a review of present names and elimination of present duplication.

**THIS SIMILARITY** in names results "in delay and confusion particularly when persons, calling during some emergency, are excited and upset and do not give sufficient information," the police chief pointed out.

Many Villagers are here for only a few months out of the year, and often do not know the exact name of their streets, other than the one name which is often similar to others, he said.

**THE MOST GLARING example**

of similarity, Kettmann said, is that of San Jacinto, with Drive, Trail and Way all included with the name, and all located in different sections of the city.

Other similarities he pointed out included:

Buena Vista Drive and Camino Buena Vista, Calle San Rafael and Calle Santa Rosa and Santa Rosa Drive, Camino Norte and Via Norte, Camino Parocela and Parocela Place, Calle Chia and Chia Road and Via Chia, Linda Vista Drive and Linda Vista Road.

Monte Vista Drive and Via Monte Vista, Miraleste Court and Via Miraleste, Morongo Road and Morongo Trail, Mountain View Drive and Mountain View Place, Pasiempo Road and Pasiempo Way, Patencio Lane and Patencio Road, Riverside Drive and Riverside Place, Valmonte Norte and Vereda Norte, and Valmonte Sur and Vereda Sur.

## Prizes Awarded Yo Yo Winners

(Photo on Page 6B)

John and Paul Saldivar, twin brothers, won top honors in the first annual Yo Yo contest finals Saturday, and will represent the Village in the district event at Los Angeles.

Other awards given were: Sweaters—Paul and John Saldivar, Jack Pellum, David Fox, Art Sanchez, Jack Rech, Mike Helm, Charles Jordan, Jim Crawford and Jim Harris; giant Yo-Yo's, Jack Pellum and Rodney Higgins; giant chenille emblems, John and Paul Saldivar. Ted McKinney, Youth Center director, and Howard Haddock, city recreation director, co-sponsors of the event, thanked all entrants and announced plans to make this an annual event.

## Eagle Scouts

To Meet Here in March at Banquet

Palm Springs Tennis club will be the setting April 27 for a county-wide dinner honoring Riverside county Eagle Scouts, Jacques Crommelin of Palm Springs district scout council said Tuesday. Crommelin is chairman of local arrangements.

Joe Hunter, Riverside, is general chairman. Businessmen of each community will host Eagle Scouts from their area at the banquet.

**SOUND PLEA FOR BABY BUGGIES**

An appeal for two used baby buggies was issued today by the Welfare and Friendly Aid, Mrs. Barbara Coffman, president.

Persons who wish to donate these items to needy families are asked to call 5688 between 9:30 a. m. and 12 noon.

## Committees to Start Activity Tuesday Noon

Chairman Morris Hopes to Complete Campaign in Week

Chairmen and area captains, lunching at the Tennis club Tuesday noon made plans for the Kick Off breakfast which will launch the Palm Springs Red Cross fund drive on March 2. Howard Morris, who is heading the drive to raise Palm Springs' \$15,000 quota, said he expects to wind up the drive in a week's time.

Grace Pope is chairman of the residential campaign, assisted by Betty Herbert. Area captains will be Virginia Farrell, Jean Cameron, Kitten Montgomery, Willie Rogers, Verna Clark, Virginia Milnor and Ruth Schoenfeld.

**BILL NASH**, heading the business division, will be assisted by the following: Mrs. Adele Colgan, hotel division; Frank Segundo, representing the Indians; Warren Slaughter, lawyers; Robert W. Peterson, city employee; Ronald Henderson, schools; Ed McCoubrey, clubs; H. P. Siemsen, Smoke Tree Ranch.

Frank Bennett, advance gifts chairman, has as assistant, Mrs. Edwin James. Mrs. Clare Kelly is donating her services as secretary during the drive.

Mrs. Tom Holland and Mrs. Agneta Hansen will be in charge of the Kick Off breakfast. Ronald Ellis is publicity chairman.

Joe Gamble, Palm Springs branch chairman for the American Red Cross, presided at the luncheon Tuesday, and presented Mary Ellen Pangle, branch chairman for Riverside county, and Jack Bamberger, county fund chairman.

**MISS PANGLE** briefed the workers on the need for raising more than the set quotas. Mentioning that \$100,000 was sent to relieve the flood sufferers in the lowlands, within a few hours after disaster struck, she added that the United States averages one disaster a day requiring Red Cross assistance.

New expense this year that will call for additional funds include the increase in the armed services needs and the cost of the gamma globulin program that will help fight polio in epidemic areas.

Stressing the need, Miss Pangle said earnestly, "Be convinced that all the money you give goes for service."

## 2-County Blood Bank on Tuesday

San Bernardino-Riverside County Blood Bank will be at the Desert Hospital from 3 to 5 p. m., Tuesday. Administrator Robert Henwood announced.

Quota for this visit will be 25 pints of blood. The visit was originally scheduled for last Monday, but was postponed so it would not be in conflict with the Red Cross Bloodmobile visit.

"You do not know when you will need the blood which you place in the blood bank," Henwood said in urging everyone to establish a blood credit.

Appointments may be made by calling the hospital, 2251.

## Civic Chorus to Appear in Patriotic Concert Sunday

Tickets are going fast for the Disabled American Veterans' sponsored patriotic concert at Wars Memorial building Sunday evening which will feature the Palm Springs Civic Chorus and stars of local night clubs.

Mark Somerby, services officer, said that tickets are still available at the Junior Chamber of Commerce booth on Palm Canyon drive and in front of the Bank of America, but only a limited supply remains.

The 100-member orchestra will be under the direction of Harry Tomlinson. Stars now in the Village have expressed their willingness to join in honoring the memory of George Washington.

All proceeds from the concert will go to aid hospitalized war veterans.

Honored at the program will be the three commanders of local veteran organizations: Walter Larson, Disabled American Veterans; Warren Linville, American Legion, and David Dunsworth, Veterans of Foreign Wars.

**BLOOD BANK**—Bill Bronstein, manager of Sunair Theater gives with blood for the boys in Korea at the visit of the Red Cross Blood bank at World Wars Memorial Hall this week.

## SUFFICIENT DONORS BUT TOO MANY INELIGIBLES

"We failed to reach our quota of 220 pints of blood for our boys in Korea, but this wasn't due to lack of response from Villagers," Mrs. Burnham Bigelow, Red Cross recruitment chairman, reported on the bloodmobile visit Monday.

There were 185 pints of blood collected during the visit of the Two-County Medical Service unit at the Wars Memorial building between 10 a. m. and 3 p. m.

**"THE REASON** our quota wasn't reached was because of the large number of rejections for health reasons at the building itself and others who called and cancelled their appointments because of orders from their doctors," Mrs. Bigelow said.

She reported that 255 donors had registered as of Monday morning, and a large number came in without reservations.

**MRS. BIGELOW** paid tribute to all the donors, including those who couldn't contribute because of illness, and all the people who assisted with the recruitment and donations.

Mrs. Hans Lauritz Hansen was in charge of arrangements, and Mrs. Tom Holland of the canten.

Among the contributors was George Strebe, together with 21 employees from the Doll House and Baby Doll.

Cathedral City was well represented, with 25 donors, the recruitment chairman said. Local doctors aided with the giving of blood, aiding personnel from the bloodmobile.

## The PUBLISHER'S Corner

**FLORIDA CUFF NOTES**—During a brief visit to the Sunshine State it was interesting to compare the resort areas there to those of Southern California—particularly Palm Springs. Many people unfamiliar with California asked: "What is the chief difference between the two states?" That is an easy question to answer because of the wide variety of climate, topography and industry which characterizes California. Florida is so flat that its rivers are more like lakes; its climate is much the same throughout the state; its vegetation is almost uniformly semi-tropical. Florida has much charm and beauty and its winter climate is hard to beat. Little wonder it has grown so fast as a winter resort. From Miami to Palm Beach—a distance of about 80 miles along the east coast—there is almost a continuous chain of resort hotels and homes. They increase as one goes south and pile up at Miami and Miami Beach like an ice jam.

A few hours by plane—a day and night by train—from the big cities to the north, Florida's accessibility as well as its climate has been a distinct advantage. The Pacific Coast still seems a long way off to these vacationists although transportation facilities have vastly improved in the past ten years. It took us only a little over eleven hours to fly from Miami to Los Angeles.

One of the greatest disadvantages Palm Springs has to overcome is that not a single plane flight from the East stops here. In addition to many who would fly here for a short vacation, many would make a stop-over on the way to Los Angeles.

Florida's resort communities are very promotion minded—something for us to bear in mind here in Palm Springs. Our advertising and publicity program financed by the city government and carried out by the Chamber of Commerce must be continued—and expanded when possible.

There are numerous public golf courses in Florida and they are extremely popular. I observed that it is not only the well-to-do who are interested in golf. Young people of limited means have taken up the sport and take their clubs along while on vacation. There is no doubt that a public golf course would be a great boon to Palm Springs and it is something to which our city government should give further study.

It is very interesting to observe that all resort communities that have grown so rapidly in the last decade have "growing pains," just like Palm Springs. Each one has an element which is bending every effort to promote the continued growth and development of the town. All have another group which is trying to hold back. There is a constant conflict as reflected in almost every issue of the newspapers. Many people I talked to think the problem is peculiar to their town. I found it exists in all of them.

Perhaps it is just as well that neither group gets too free a hand. One is a safeguard against uncontrolled and undesirable development. The other keeps a community from becoming static and dying on the vine. Somewhere between the two lies a happy medium arrived at by compromise.

An encouraging note is the observation that many people who like to travel are fed up on European vacation trips. They say they are tired of being "taken." More people are learning to see and enjoy America than ever before.

**HAPPY ANTICIPATION**—Ralph Kiner, home run king and Nancy Chaffey Kiner, tennis star, are pictured above in one of those domestic scenes so familiar to many. Nancy is knitting "cute little things" for the tiny stranger due in August. Kiner gives with that paternal look.

## Kiners Make Plans for August Visit from Stork

Prospect parenthood, baseball and charcoal-broiled hamburgers and tennis figured as the ingredients during a delightful hour of conversation between Ralph Kiner, his wife Nancy and a Desert Sun reporter the other night.

The Pittsburgh slugger and the highest paid baseball player in the professional circuits today was somewhat abashed but nevertheless proud, over the amount of publicity he and Nancy (the former Nancy Chaffey of tennis renown) had received in newspapers throughout the nation.

**SAYS NANCY** rather plain-tively: "I want a girl and she'll play tennis too."

Replied Ralph: "I want a boy and baseball isn't such a bad game to play."

"What about the hamburgers, Ralph," interjected Nancy. "You're also the barbecue king here."

"Looks to me like I'll be playing for the Pirates next season in spite of all the trade and selling talk that's going on."

**"THE BABY** will be born in August and where will we be in—" Nancy started.

"Gee, I wish he could be born right here on the desert."

"Who said she was going to a he, I want a girl," Nancy interrupted.

"O. K., sweetheart, but I won't change any diapers."

"Oh yes you will, Ralph, and don't argue about it because you'll just love to do so."

W. J. Bennett, chief, Riverside Police Department—"The announcement of your resignation effective the end of this month came as a surprise and shock to all of us here in Riverside. I sincerely hope that whatever your new endeavor may be that you will be as successful in it as you have been during your years

I am sure that your special assignment in charge, Federal Bureau of Investigation, San Diego area—"I wanted to drop you this short note to tell you how much we appreciated your cooperation during the time you were in the police at Palm Springs. ## Just a Weather Balloon, Report

"It was only a weather balloon," John Bernet, 1163 North Calle Rolph, commented today on the story in Monday's Desert Sun telling about the reflection on the mountain Thursday afternoon above the Tramway site. "I saw the object too," Bernet said, "and looked at it through my binoculars. It drifted very slowly, and remained in the general area for about an hour and a half. The reflection was caused by the sun shining on one side of the balloon while it was sinking behind the mountain."

# Tony Trabert, Mrs. Perez Win Net Invitational Honors

Brilliant Tennis Displayed by Top  
Players in 16th Annual Tournament

Tony Trabert loomed today as one of the top amateur tennis stars in the United States following his easy sweep of the men's singles title in the sixteenth annual Palm Springs Invitational held over the weekend.

The San Diego based Naval aviator, participating in tournaments only on his own time on weekends, swept through some of California's finest players in winning the championship.

THE TITLE ITSELF was decided by a 6-3, 6-2 victory over Tom Brown Jr. of San Francisco, but Trabert had earlier scored wins over William Crosby 6-2, 6-3; Lawrence Huebner 9-7, 6-3; Glenn Hippenstiel 6-2, 6-2, and Arthur W. Cheney 6-1, 6-1.

After scoring his singles triumph, he returned to the courts to team with Hugh Stewart of Los Angeles to win the men's doubles over UCLA players Bob Perry and Huebner, 6-3, 10-8.

MRS. HELEN PEREZ was the winner of the women's singles title, taking a hard fought, three-hour long battle over Mrs. Dorothy Cheney of Santa Monica, 3-6, 11-9, 6-4.

Mrs. Perez had earlier scored victories over Barbara Bradley 2-6, 6-1, 6-2; and Nancy Kelleher 6-4, 5-2 (30 love). Mrs. Cheney had moved into the finals with victories over Anita J. Kan-

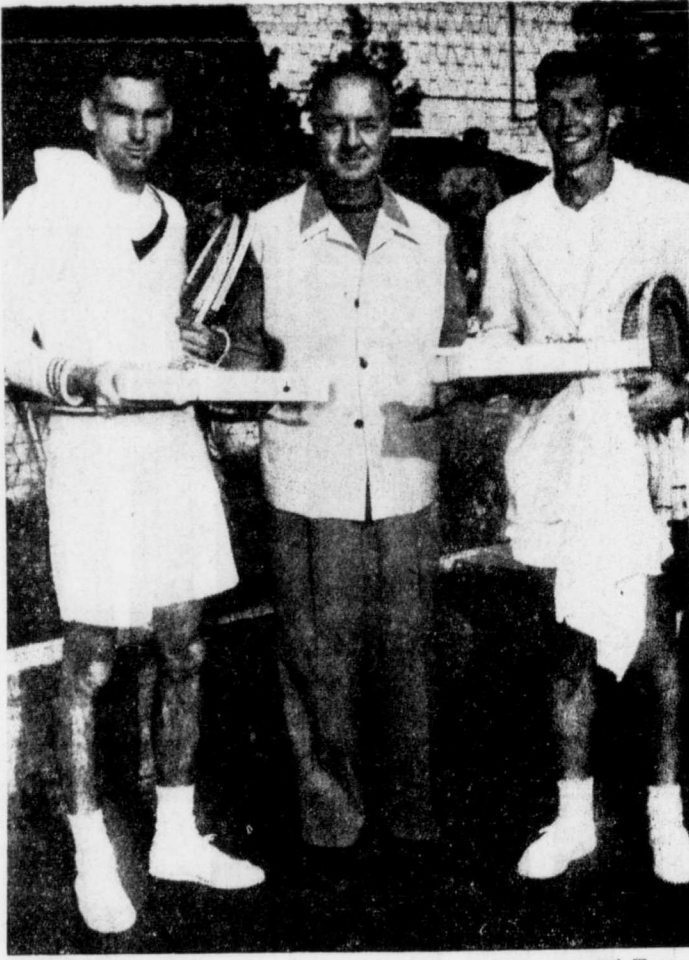

er 2-6, 6-4, 6-2; Angela Buxton 6-3, 8-6; Mrs. Marjorie Jackson 6-0, 6-1, and Peggy Manser 8-6, 6-2.

THE MIXED DOUBLES title was won by Hugh Stewart and Julia Sampson of San Marino. They overcame a late rally by Angela Buxton and Bill Young to win in straight sets 6-2 and 7-5.

The "B" flight men's doubles was won by Alan Call and John Lesh of Los Angeles, while the "B" flight mixed doubles title went to Nancy Dwyer of Los Angeles and Dr. Bernard Finch of Palm Springs.

CHAMPIONSHIP FINALS in the Palm Springs Tennis Patrons association sponsored tourney were played at the Racquet club. Semi-finals were held at the Tennis club, and preliminary play at both clubs.

Trophies were awarded winners by Actors William Powell and Charles Farrell, assisted by Mrs. Powell, president of the association, and Gussie Moran, tennis hostess at the Racquet club.

RECEIVE AWARDS—Tom Brown, Jr. (left), runner-up, and Tony Trabert (right), winner of the men's singles in the sixteenth annual invitational tournament, receive awards from William Powell following the championship match Sunday at the Racquet Club. Large crowds witnessed the Palm Springs Tennis Patrons Association sponsored tournament at both the Racquet Club and the Tennis Club, Saturday and Sunday. At the right: Helen Perez (left), George Ripley and Dorothy Cheney discuss the women's singles championship match which Mrs. Perez won over Mrs. Cheney in a hard fought battle, 3-6, 11-9, 6-4. Finals were held at the Racquet Club, semi-finals at the Tennis Club with preliminary play at both clubs.

The results:

## Indians to Close Dim Hoop Sked Here Tomorrow

It looks like a winless season for Coach Ciare Ballagh's Varsity cagers.

The Indians, who have been defeated in six straight league games so far, will close their season Friday night when the tough Elsinore Tigers play here.

Elsinore has lost only one game this season—to the league leading Hemet cagers—while winning five games. The Tigers count among their victims the highly regarded Banning quintet.

**ONLY FIVE POINTS** accounted for Palm Springs and San Jacinto last week as the Indians lost their CIF home contest. Elsinore came through with a 56 to 47 win over Perris.

Tomorrow this week will be the Banning-Hemet tilt at Hemet, where the Broncos will try to upset the Bulldogs, and throw the league lead into a tie-away tie.

If this happens, a playoff is forecast to determine which team will enter the CIF playoffs.

**PALM SPRINGS JAYVEES**, who have had the same winless luck as their seniors, have a better chance to win Friday night, as the Elsinore squad has only won one game all year—and that was last week 56 to 41 over Perris.

The Indian Juniors were routed last week by San Jacinto 52 to 23.

## Kiner-Pittsburgh Talks Stalemated Few Changes in '53 Trout Season

Ralph Kiner and the Pittsburgh Pirates remained at a stalemate this week—with the slugging outfielder remaining at his Thunderbird home and Pirate General Manager Branch Rickey still talking trades.

Latest talk Rickey had was with Cobe Paul of the Cincinnati Reds, but both reported later that no agreement was reached.

Rickey reiterated his previous statement that Kiner wasn't for sale, but that he was willing to listen to any trade offer.

Paced by the 14 points scored by Roberts and Bob Seipel each, Village Market won its seventh consecutive game Tuesday night, downing Mhoon and Mhoon 54 to 44.

The Village Market attack was a team affair with the other three players contributing the remaining 26 points.

Red Haynes and Chuck Buresh sparked the Mhoon and Mhoon team with 18 and 16 points respectively, but failed to gain enough additional support from their teammates to turn the outcome into a win.

**VILLAGE MARKET** now remains the only team with a chance to catch the league leading Cravy quintet.

In an exhibition tilt, El Mirador team, making its first start, edged the Royal Aces 37 to 33.

The winners took a 10 to 7 lead at the quarter, and made it 19 to 9 at halftime. Royal Aces rallied in the third period to come within three points, 24 to 21, but then faltered in the final quarter.

**WILFRED LUCAS** was high scorer for the winners with 13, and Joe Strange topped the losers with 10.

## Bicycle Races Scheduled Here in Late Spring

Second annual Palm Springs Bicycle Race will be staged here in two sections this Spring—on April 12 and May 3. The events will be sponsored again this year by Owen B. Coffman post, American Legion. The dates were allocated the Village at a meeting of the Amateur Bicycle League of America in North Hollywood last week.

A committee from the league Sunday met with Lawrence Richards, Ace Springins and Clinton Mitchell, the Legion committee and City Manager Russell Rink and City Recreation Director Howard Haddock, to discuss plans for the races.

**SEEKING A FASTER** track than was provided on the high school track last year, it was decided to lay out an oval on the black top parking area of the Polo Grounds.

This will provide a fast quarter mile track with wide turns and plenty of room on the outside to park cars from which spectators can comfortably watch the races, Mitchell said.

**OF THE 27 ACES** who raced here last year, one placed on the U. S. Olympic team and two others placed as state champions in junior and senior classes.

They and several other top racers will be back this year.

Events for local riders on stock bicycles will again be a major feature with attractive prizes offered.

Prizes will be offered by national cycle manufacturers, Los Angeles jobbers and local merchants.

## Outstanding Artists Show Works at Date Carnival

Outstanding artists of southern California, both professional and amateur, will participate in the Art Exhibition being staged in connection with the 1953 Riverside County Fair and National Date Festival which opened at the County Fairgrounds in Indio yesterday.

## Attorney General Rules Billboards May be Zoned

A county may enact an ordinance prohibiting billboards within 500 feet of freeways in unincorporated areas, Attorney General Edmund G. Brown said Saturday in an opinion.

The opinion is expected to get close study from county supervisors and County Planning Commission. They have been studying more than a year proposals to prohibit billboards near the freeways in Riverside county.

Palm Springs city council was among the first to ask supervisors for action on promiscuous billboards along the approaches to the city.

**BROWN MADE IT CLEAR** that the legislature had reserved to the state the power to regulate advertising upon property adjacent to public highways in unincorporated areas, from a standpoint of safety.

He pointed out that the state law, however, extends to the counties the legal right to establish comprehensive zoning plans which could regulate advertising.

**"FOR EXAMPLE,"** Brown wrote, "if a county ordinance specifies an area to be zoned for residential purposes, and a freeway passes through the zone, then as a part of comprehensive planning it would be proper to provide that no billboards could be placed in such area, including the land adjacent to the freeway."

He further stated that the banning of billboards by a county ordinance on "aesthetic" considerations alone, had never been ruled upon directly by the courts.

**HE WROTE:** "There is a definite tendency in this country at the present time for the courts to recognize the validity of zoning based only on 'aesthetic' considerations."

"Under this condition of the law, we conclude that while all indications are that the courts will eventually uphold ordinances forbidding advertising displays on 'aesthetic' consideration alone we cannot say that the law has yet been established that such regulations are valid."

### Gas Rate Hearing to be Held Today

## Growth of City is Reflected in Police Activity

Growth of the community and the fact that more people are coming here, many of them undesirable, were the reasons given by Police Chief August G. Kettmann for an increase in felony complaints in January, 1953, compared to the same month last year.

In his report to City Manager Russell Rink, Kettmann said that felony complaints increased from 12 to 20.

**TRAFFIC ACCIDENTS** also showed a sharp increase, from 10 to 26, although none were of a serious nature. Injury accidents remained the same at three.

Number of juveniles interviewed totaled 33, a marked increase over last year, but part of this may be charged to the greater number of man-hours being devoted to this very important segment of the population, the police chief explained.

**OFFICER TED GREENE** is in charge of the juvenile department. In accordance with the training policy, a week's school was given for Police Reserves and the less experienced members of the department by the FBI. Certificates were awarded to 20 of those in attendance.

## Cathedral City News

By Paul and Mildred Clark—Phone 8-4691

### Fire District

Cathedral Fire Protection District commissioners held a semi-annual meeting last week to conduct affairs of the district. Present were commissioners Vernon Krings, Emil Greener, Paul W. Clark, W. R. Hillery and President L. C. Lewis. Secretary Leah Lewis read a communication from the Board of Fire Underwriters Rating Bureau concerning the districts application for lower insurance rates. The letter stated that the engineering data was in hand and in process of being checked. The commissioners had previously been informed that they would be notified if inspection of the fire protection system showed that anything additional was required. Not having received such notification, it is believed that the lower rates will be granted in due course. An agreement with the Cathedral City Water company was

reached whereby the district will pay a water charge of \$2 per month each on the fire hydrants up to and including 40 hydrants. There are now 25 hydrants installed, and more will be added from time to time as required. When 40 hydrants are installed, the rate will be \$1.50 per month per hydrant for all hydrants. The fire protection district is also paying a \$30 monthly stand-by power charge on account of increased requirements for fire fighting purposes only. The water company has agreed to apply this \$30 charge on hydrant rental, so that for all hydrants installed between 25 and 40 there will be no rental charge. As the Chamber of Commerce had agreed to pay the hydrant rental charge out of voluntarily raised funds until the fire protection district could legally take over, the water company had reduced the charge to the Chamber of Commerce to

only \$1 per month per hydrant. The fire commissioners also voted an allowance of \$200 to the volunteer fire department for the purchase of helmets and asbestos fire fighting jackets as required by the board of underwriters. Volunteer fire chief Charles Scherck stated that the volunteers had raised much of their own funds for equipping the fire hall, and were doing an excellent job in turning out for fires for compensation that was purely nominal.

### Street Repairs

County road crews have been busily engaged for the past several days on a smoothing and finishing operation on all Cathedral City streets. Following behind the scraper a road gang of county prisoners is cleaning up the rubbish and smoothing the edges. After this is done the roads will be seal coated, which will serve to smooth and protect the surface. A few instances have been reported where residents have objected to the scraper in front of their property. The county road department has asked that property owners be informed that the approaches to property will all be cleaned and smoothed off. As the county goes to considerable expense to do this, they state that if there are too many objections they will take the road crew away, and leave the streets in their present unkempt condition.

### Blood Bank

Red Cross Blood Bank committee, headed by Mrs. Florence Bigelow of Palm Springs, reports an excellent turn out of Cathedral City residents at this week's visit of the "blood mobile." Among Cathedral City residents who gave blood were Richard E. Bean, Wesley Biler, Carl Mayfield, Carl R. Emerson, Mr. and Mrs. R. C. (Bud) Mhoon, William Bronstein, John Harris, John S. Hillery, Lewis Duncan, Robert Kennedy and Mrs. George Smith.

week there were covers for 20 for dinner at Shadow Mountain including a group just in from Acapulco, Mexico, and en route to Florida. They included Mrs. Hewitson's sister and husband, Mr. and Mrs. C. ## Minister Sees High Hope in President's Precedent

By DR. JOHN R. MACARTNEY  
Pastor Palm Desert Community Church

President Eisenhower deserves all praise for making the people to bow their heads while he prayed for divine guidance just before he delivered his inaugural address.

He offered a most fervent prayer for wisdom to do God's will and thus to promote and secure the peace and prosperity of America and all people.

No other president has ever done the like. It was a most praiseworthy innovation. His prayer gives us all great hope that with God's help he will soon find the way to end the Korean war in honorable peace.

William Penn, with God's help went unarmed to a meeting of the savages in the wilds of Pennsylvania and made a lasting peace with them in a few short hours.

Gen. Oglethorpe did the same in Georgia. Ralph Bunche, with God's help, made a peace be-

tween the Arabs and the Jews in Palestine. Jacob made peace with Esau after 25 years of separation.

Prayer changes things. God be praised that our new president has supreme faith in God and prays for his guidance.

## Officers Installed at Palm Desert

Officers of Palm Desert Community church were installed at last Sunday's services by Dr. John Robertson Macartney, pastor. Elders installed were Ernest Duncan, Floyd C. Mitchell and Oswald Robertson.

A neon Cross now surmounts the tower of the church. It is the gift of Mr. and Mrs. W. M. Hales of Chicago, guests at the church last Thanksgiving Day.

Comfortable pews are to be installed and shrubs and flowers have been planted in the church yard.

## Adventist Church Dedication Rites Slated Saturday

Special services of dedication are scheduled Saturday morning and afternoon at Palm Springs Seventh-day Adventist church. The public are invited to attend the programs planned for 11 a. m. and 3 p. m. at the church at the corner of South Riverside drive and Camino Real.

R. A. Rento served as pastor during the church building program and upon his appointment to the Vancouver, B. C., pulpit he was succeeded by Wilbur K. Nelson formerly with the Redlands congregation.

Guest speakers for the services, marking the removal of all encumbrances from the church property, will be F. W. Schnepfer, secretary-treasurer for the denomination's Pacific Union Conference, in the morning, and H. H. Hicks, president of the local S.D.A. conference, in the afternoon, followed by the act of dedication.

"This announcement is made with heartfelt thanks to our many Palm Springs friends who have helped make this occasion possible," said Pastor Nelson.

## DIVINE MIND HEALS SAYS CHRISTIAN SCIENCE SERMON

"Great is our Lord, and of great power; his understanding is infinite." This declaration of the Psalmist (147:5) is the Golden Text of the Sunday Lesson-Sermon on "Mind" in all Christian Science churches.

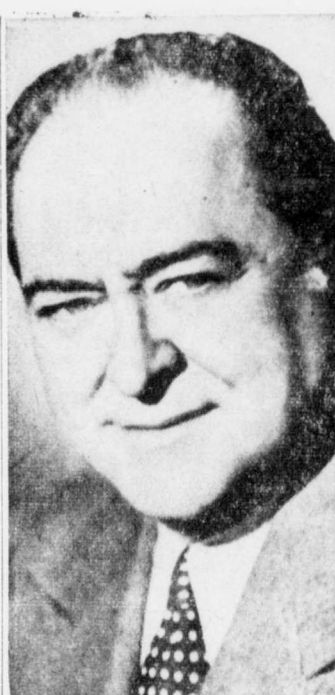

A Scriptural selection from The Acts (3:3, 6-8) illustrates how the law of God, Mind, gives man dominion over physical infirmity. A man lame from birth "seeing Peter and John about to go into the temple asked an alms . . . Then Peter said, Silver and gold have I none; but such as I have give I thee: In the name of Jesus Christ of Nazareth rise up and walk. And he took him by the right hand, and lifted him up; and immediately his feet and ankle bones received strength. And he . . . entered with them into the temple, walking, and leaping, and praising God."

"Disease has no intelligence," declares Mary Baker Eddy in "Science and Health with Key to the Scriptures." Again she says, "The basis of all health, sinlessness, and immortality is the greatest fact that God is the only Mind; and this Mind must be not merely believed, but it must be understood." "Disease is less than mind, and Mind can control it." (pp. 378, 339.)

## The miracles that come in cans

Once upon a time oranges were rare, expensive luxuries. Only the richest kids in town could afford them. If you were lucky you got one a year—in the toe of your Christmas stocking.

Today, millions enjoy healthful orange juice packed in cans. The vitamins and minerals you get this way are just one example of an everyday miracle of modern living that every California family takes pretty much for granted.

What brought about this miracle—and many others like it? The answer is simple. It was your demand for better, more appetizing, more healthful foods of all kinds. These demands were met by American business (including American Can Company), devoted to bringing you better products at lower cost.

Satisfying your needs has created

thousands of jobs in farming, food processing and distribution. It has required a lot of research—which has produced better and more convenient food containers. It has increased and stabilized farm income. It has even meant higher property values in some areas.

In fact, it would be hard for you to go through a single day without enjoying many of the benefits that have resulted directly from the activities of the canning and can-making industries in your State.

The 35,000 American Can Company people are proud of their part in this story of industrial progress.

Your free choice in buying more and more of what you need in cans has enabled them to perform many miracles in the past—and to promise even greater things in the future.

## Cactus Charley SAYS

From under the shade of this mesquite tree, which this unparalleled February desert weather this year makes a "must" I lie lazily to remark. No disparagements to good old John, our Congressman, but he has to rise to remark. I got a better deal.

Here in the peace and detachment of this little ranch, with the scores of barking puppies awaiting buyers, where an untripped beard may grow to one's knees, radio admitting the tensions of the outside world until one wearies of it all, no mores of society to compel frequent change of garb, here I have two panoramas stretching before me.

One is that of nature, thousands of acres of virgin desert all around me, of serenity, of a sense of time, of opportunity for reflection and perspective—the thing the city dude gives his eye teeth for when he can leave his rat race. The other is a panorama of human activities—the man-made tensions, troubles, selfishness and weaknesses.

Before me are the verdant ranches of semi-tropical horticulture, acres of date fronds waving in the warm sunshine, yellow grapefruit silhouetted against the deep green boughs at Dutch Myers little new riding stables where Dutch lets the dudes pick them to take home after their rides across those acres of unfenced horseman's paradise adjoining his unique stables. Down below the sand dunes kind faced cows leisurely chew their cud in alfalfa up to their knees while mad motorists vie in attempts at suicide on Highway 99. Over across the desert a half mile away is Hidden Springs Ranch. Down there at that swank little guest ranch one can see the swimming pool glisten in the midday sun, tanned beauties stretched on colorful mats or the green sward, bent on absorbing all the sunshine in Coachella Valley and taking it back to Carmel, San Francisco, Portland and parts cold and damp. Around the tables their athletic menfolk, with clinking glasses, hail the latest spicy story with hearty laughter and relax from the worries of urban living. Majestic mountains tower with snow-capped peaks and behind me are innumerable mystic palm canyons, hidden retreats and oases unspoiled as yet by the inroads of men, accessible only to the horseman.

I've given up reading the daily papers what with nothing much in them but murders, divorces, accidents, troubles and Mickey Cohens latest exploits. Sometimes a dode from Charley Doyle's Hidden Springs Ranch brings me over a bunch of Wall Street Journals out of which one can find lots of optimism, learn of the really big things being done in the world still, the new inventions, progress in science and medicine, tales of progress which excite the imagination if only the politicians would just let science, business, educators and men of action make life a better living. Seem like the politicians of the world cause all the troubles, wars, turmoils, uncertainties and insecurity.

True we have some senators of statesman calibre, really able men. But the trouble is you could dump a carload of gravel from a plane over Washington and never hit one of them with a pebble. The good ones are overshadowed by the blundering publicity hunters and buffoonish demagogues, obstructing with their ego.

Its just too bad Charley Doyle can't take that unique Hidden Springs Ranch and establish a sort of retreat for politicians, where they had peace and solitude to get a perspective of themselves, re-orient and reduce the size. Trouble is his sophisticated clientele wouldn't make a good audience. Oh, well, maybe Cactus is getting old and pessimistic.

QUEEN OF SWEETHEART BALL—Audrey Shaw, second from right, was named the queen of the Sweetheart Ball held Saturday evening at the state board of the California Junior Chamber of Commerce at Berkeley. ## Riverside County to Get 16th of Entire State Budget

Speaking at the Rotary club luncheon tomorrow in the Shadow Mountain clubhouse in Palm Desert, Senator Nelson Dilworth will analyze the benefits to Riverside county from the proposed state budget.

Governor Warren has asked the legislature to appropriate funds for a budget of \$1,326,000,000.

"Of course it is your money, tax money collected from citizens like you, sales tax, gas tax, income tax and so on," said Dilworth.

"Let's take up first where it is spent. We live in Riverside county. Is any money spent here?"

"YES THERE IS. Take state highways, \$1,600,000 is budgeted for Riverside county state highways. Then the county will get \$1,558,500 for county roads. The cities will get \$763,000 for city streets. That's \$4,221,500 for roads and streets in Riverside county."

"State Grants or Public Assistance are large. To the aged will be given \$2,640,000 in Riverside county, to the blind \$132,000, to needy children \$455,600, and others \$30,000. State aid for public health is provided with \$140,000 and other funds \$34,000. The total state funds coming to the county for aid and welfare are \$3,432,100.

"NOW WE HAVE listed nearly eight million dollars to be spent here but we have not mentioned the biggest item."

Public schools in Riverside county will receive six million dollars next year, the exact amount depending on attendance and growth.

The new University of California is going into operation next year at Riverside. The buildings are rapidly being completed with the five million dollars appropriated by my bill in 1949.

While classes will begin in September, full operation will not be possible until February. For the fiscal year beginning in July, \$2,350,000 is budgeted for the University. Capital outlay funds are added amounting to \$1,426,000.

"A total University expendi-

## Villager Honored at State Jaycee Board Meeting

Representatives of the Palm Springs Jaycees, attending the state board meeting in Berkeley over the weekend, made a bid to hold the 1954 convention here.

Also bidding for the convention site were Santa Monica and Long Beach. The decision will be made at Santa Cruz in May.

General sessions, committee meetings, luncheons, breakfast meetings, cocktail parties and dances made up the three-day program. Over 500 delegates were in attendance.

Highlighting the convention for the Villagers was the selection of Audrey Shaw to reign as queen of the Sweetheart Ball on Valentine's night. Wife of a Palm Springs delegate, Lester Shaw, she was chosen from women from all over the state.

Palm Springs Jaycees, who flew north for the weekend conference, were Stan Lewis, Jim Hadlock, Fred Weigel, Mr. and Mrs. Bill Foster, Mr. and Mrs. Lester Shaw and Mr. and Mrs. William Ford.

## County Red Cross Joins in Aid for Storm Sufferers

Riverside county chapter, American Red Cross has received word from the National Red Cross announcing the initial contribution of \$100,000 for procurement of emergency supplies for Netherlands flood refugees, Mary Ellen Pangle, manager said today.

Riverside county chapter will accept voluntary money contributions for transmittal to Red Cross in countries that are affected. This is not a drive for funds, but a transmittal service for donors who wish money to be sent. Welfare inquiries should be sent directly to Netherlands Red Cross, Information Bureau, The Hague, by inquirer. The local chapter will assist in preparing cables or letters.

THE RED CROSS has met the emergency needs of American servicemen's families in Britain and rehabilitation help will be given.

American Red Cross authorized League expenditures to ten thou-

sand dollars through Netherlands Red Cross for blankets and clothing needed by the Dutch flood victims. Canadian Red Cross authorized contributing clothing that is warehoused by the League in Canada. Department of state reports Red Cross Societies in Europe are proving extremely helpful in assisting disaster victims in the Netherlands.

February is the shortest month of the year . . . and crampacked with activity . . . It's a birthday month . . . a party month . . . and there have been quite a few weddings . . . More and more people are answering telephones that have been standing unused . . . waiting for the household to arrive . . . February . . . it's wonderful . . . in Palm Springs.

Mr. and Mrs. James French of San Francisco . . . have opened their Palm Springs home on El Camino Way . . . and will be here for the rest of the winter . . . They have recently returned from a trip abroad . . . Mrs. French spent five months in Europe . . . with her husband joining her there at Christmas time . . . On Sunday night . . . the Frenches were dinner hosts at the Racquet club . . . honoring their friends, Mr. and Mrs. Harold Snodgrass of San Francisco . . . There were 14 at their table . . . On Tuesday night . . . Mr. and Mrs. French gave a cocktail party at their home . . . for the B. F. Shearers and their guests . . . a group of Heywood-Wakefield officials and their wives . . . The visiting officials have inspired a full calendar of events during their stay in the Village . . .

## Mexican Cruise

When I talked with Mary Hurrell Monday morning . . . she was packing her bags . . . and ready to leave for Coronado . . . to join William and Eve Brooks aboard their yacht Fifer . . . for a two-months' cruise down along the Mexican coast . . . They will put in at La Paz, Las Cruces and Mazatlan . . . and some of the more remote spots . . . The Brooks had expected to sail earlier . . . but the Fifer has been weatherbound for the past four weeks, up around Cape Flattery . . . During Mrs. Hurrell's absence . . . her home at 374 Vereda del Sur . . . will be occupied by Mrs. Sunny Sund, who is opening the Don the Beachcomber restaurant at the new Sunset Towers . . .

Cafe chatter . . . At the Chi Chi Sunday night . . . catching Billy Daniels' last performance . . . were Herb Rogers, Mary Foskett, Theresa Wright, and Victor Jory . . . At the Supper Club at El Mirador Sunday night . . . listening to Gwen Bari . . . were Trav Rogers and Bill Gargan . . . Having dinner at the Dunes . . . after tape recording a show Saturday night . . . Bing Crosby, Bill Morrow (writer-producer) . . . and Victor Pettit . . . The Raymond Loewys . . . making their first public appearance . . . since their return to the Village . . . dining at the Racquet club Sunday night . . .

Stealing the limelight at the tennis finals at the Racquet club . . . Sunday afternoon . . . Bill Patrick (Mrs. Cornelia Jackson) . . . and Jeanne Crain cooing over the adorable little girl . . . recently adopted by the Jacksons . . . The baby . . . dressed in white . . . with a tiny bow tied proudly in her hair . . . rode in a red-and-white, candy striped stroller . . . with a sunshade . . . Just about the fanciest thing there . . . with the exception of the swanky Davis Cup team jacket . . . Tony Trabert was wearing . . . It was white . . . with red, white and blue piping . . . and a United States shield on the pocket . . . Count me a Trabert fan . . . since I watched him play in the semi-finals . . . at the Tennis club Saturday . . .

## Woman Driver

As unusual a combination . . . as I have ever heard . . . is the vocation and avocation of the charming young Southerner . . . Miss Brooke Burwill . . . who is the houseguest of Mrs. C. Thurston Chase . . . She is the owner of a Mississippi plantation . . . and a racing car driver . . . She is just back from Europe . . . where she raced . . . and is considering entering the desert races next month . . . Mrs. Chase is just home from a social fling in the big city . . . On Saturday she was in Pasadena to attend a reception for newlyweds Mr. and Mrs. Joseph DeVina (she is the former Jean Flagler Matthews) . . . and while in town gave a luncheon at the Beverly Hills hotel honoring the bride . . . who has visited here at the Chase home . . .

The William Bannermans . . . are in residence at their Highland drive home . . . and will be here for the rest of the winter season . . .

Mr. and Mrs. Louis Benoist . . . were in the Village from Thursday to Monday . . . but have flitted back to San Francisco . . .

Mr. and Mrs. Franklin B. MacCarthy . . . are going into town this weekend . . . to spend a few days . . . On Sunday they will attend the wedding reception for Mr. and Mrs. James A. Farquharsen Jr. . . . whose wedding took place in San Francisco on February 7 . . . The

## Del Tahquitz Guests from Many States

Many states were represented at Hotel del Tahquitz this weekend, including foreign countries. Among them MacDonald O'Summers, opera singer, who spent the weekend at Del Tahquitz before leaving for Korea to entertain the troops.

Also here was the movie actor, Arthur San Juan, who was in the third dimension picture, "Bwana Devil."

Among the many interesting guests were Miss Jean Ward, club editor of the Los Angeles Examiner; Eve Partner, designer of jewelry of Beverly Hills; Miss Sylvia Holtzman of Portland, Oregon, head of an advertising agency; Misses Margaret Andrews and Helen Littlefield of Ontario, California, players in the Tennis tournament; Mrs. Charlotte Fellner, widow of the well-known surgeon of Detroit, Michigan, who is making her 18th annual vacation at Del Tahquitz; Mr. and Mrs. Dell Turco, prominent builder of Reno, Nevada; Mr. and Mrs. S. Brody, clothier of Quincy, Illinois; Jack J. Lande, eminent attorney of Beverly Hills; Paul Lowin, retired businessman of New York City, who is spending his seventh winter at Del Tahquitz; Robert Isaacs, New York realtor whose son is the war correspondent, Harold R. Isaacs; Mike Cowin, Los Angeles textile wholesaler; Mel Simon of the North African Division with the Air Transport Command; Enrique Holtschmidt, President of Maya de Mexico, hand painted sports fabrics, of Mexico City, Mexico; and many others representing a cross section of businesses and professions.

## Rock-a-bye

The real reason . . . Nancy Chaffey Kiner didn't play in the tennis tournament last weekend . . . was revealed Saturday night . . . when the attractive brunette tennis star . . . announced that she is expecting a baby . . . around August . . . The announcement came as a special Valentine's gift to her family . . . and Nancy chose that particular timing for her announcement . . . because she lost a brother on that date . . . several years ago . . .

The Tom Maloufs will be down to spend the weekend with the William Maloufs . . . the two men are brothers . . . and the two women sisters . . . and they will attend the Howard Shoup supper show at the Tennis club tomorrow night . . . at which the Fashionettes will model . . . Mrs. Tom Malouf started the Fashionettes 10 years ago . . . Also at the Malouf table will be the George Barclaugh and the Lowry Lytles . . .

The Norman Tulks hosted a dinner party . . . at the Racquet club Sunday night . . . entertaining . . . Neal D. Maclean, K.C. and Mrs. Maclean, who is Mrs. Tulks' sister . . . of Edmonton, Alberta . . . Mrs. Taylor Henry . . . and Mr. Don McDonald of Vancouver . . .

Louella Parsons . . . will be checking in at El Mirador tomorrow . . . Down to catch the new Jimmy McHugh show at the Chi Chi . . . In the meantime the linking (romantic-wise) . . . of the Parsons-McHugh names . . . continues to be an item for speculation . . .

• There should have been good conversation . . . around the dinner table . . . Friday night at La Quinta . . . with Gardner and Fleur Cowles (of Look magazine) . . . the Moss Harts . . . the Bennett Cerfs . . . and the Jerry Devines . . . in the party . . . The following night the Devines entertained the Bob Waterfields (she is Jane Russell) . . .

Mrs. John L. Blish entertained a few people . . . at the cocktail hour Tuesday . . . in honor of her sister and brother-in-law, the Henry C. Thorntons . . . who have just arrived from Ottawa . . . Mrs. Blish, herself, has only recently returned from Indianapolis . . . where her daughter Barbara was married to Peter Straube . . . the last of December . . .

George O'Brien of Los Angeles and Thunderbird . . . (he's with Standard Oil) . . . is exhibiting his horse (the gift of the King of Saudi Arabia) . . . at the Indio Fair . . .

This is rather old news . . . but I just heard . . . that Mr. and Mrs. J. Carroll Naish . . . celebrated their silver wedding anniversary . . . at Howard Manor . . . one night last week . . .

## So They Say

I hear tell . . . that diminutive opera star Lily Pons is in town . . . and attended the Bing Crosby broadcast Wednesday night . . . I did not see her there . . . but did enjoy hearing Dinah Shore sing with Bing . . . and watching Jimmy Stewart read his way through a script . . . that sounded like it was prepared for someone else . . . I have it on good authority that His Highness, Prince Faisal of Saudi Arabia . . . is in the Village . . . but is shying at publicity . . . If you don't have a ticket . . . to the City of Hope dinner . . . you might just as well decide you don't want to go . . . as there really aren't any more tickets . . . and that's all for this time . . . and some of the rest of you can breathe a sigh of relief . . .

The Barney Hinkles arranged a big cocktail party . . . at Thunderbird last night . . . for Earl Cordrey . . . whose water color paintings will be exhibited at Thunderbird . . . until March 5 . . . Sixty-six guests attended the party . . . in the Ranch Room . . . The invitational list includ-

With him at El Mirador will be Dorothy Couiter, Darla Hood, Eve Marley, Judy Clark and Bunny Bishop, the five lovely girls who are appearing with him in the happy revue, the current attraction at Palm Springs Chi Chi. This adds one more attraction to the colorful and exotic show that will present island songs and dances, Polynesian food, eis, a parade of Hawaiian costumes, and the swimming show.

At 1 p. m. Waltah Clarke, operator of an exclusive island-year shop in the Village, and a similar shop in Laguna, will present the first authentic all-Hawaiian fashion show, featuring lovely models wearing muumuu, holomuu, holokus, sarongs, swim suits and sun wear. A \$5000 shipment of garments for the show was received this week from the Kahala manufactures of Honolulu.

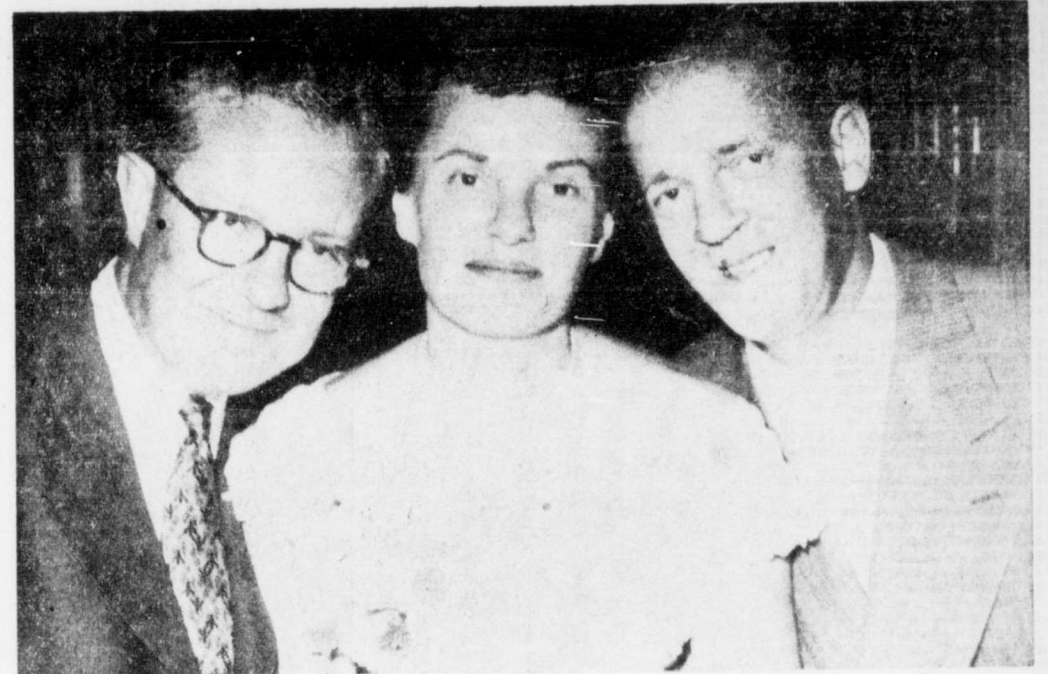

Waltah, who lived in the islands so many years, will spin yarns of island customs and dance the hula in his own imitable fashion.

Pat Taylor, national paddleboard champion, will be the star attraction in the water show, which features the El Mirador swimming club, trained by Carl Schroeder, pool manager.

The doors of the South Pacific room will open at 3 p. m., offering Polynesian grog and refreshments. George Kainapau, noted Hawaiian singer, who wears a diamond in his tooth, and his Island Serenaders will strum guitars and eukeleles and sing the island songs.

## Palm Desert Sunbeams

By EDITH EDDY WARD

The annual Date Festival and Riverside County Fair opened yesterday at Indio and Highway 111 going through Palm Desert is lined with cars—all the hotels and apartments are filled and the place is buzzing! Palm Desert community is justly proud of our own Lorelle Taylor who won the coveted title of "Queen" of the Date Festival. She was crowned at the Coronation Ball held at the Women's club in Indio Monday night. Lorelle is 17 years old today and, needless to say, is having a very, very happy birthday!

The "Sweetheart Ball" at Shadow Mountain club last Saturday was one of the season's best parties. The Todds really gave forth with some mighty sweet music for dancing and listening pleasure. Sunday, the Stuard Shop put on a style show during the buffet luncheon that over-shadowed any they have done before.

Dudley Steele has been working on the electric train which he donated to the club for the pleasure of the young and the old. He hopes to have his project running soon. Tickets for the TV set are still on sale at the club office.

Chief Begin is happiest when he has time and the opportunity to lend his personal touch in serving one of his famous dishes—Paulet la Chasseur.

The Rev. John Robertson Macartney is very proud of the new church cross which was donated by Mr. and Mrs. William M. Hales of Chicago. It all started when the Hales dropped in to the Palm Desert Community church last Thanksgiving when the Rev. Macartney was telling the congregation that one thing they lacked was a cross. It is a beautiful cross of blue enamel with rose colored neon light. Speaking of the Rev. Macartney, he tells a cute story about the Salvation Army girl who came up to a gentleman and told him she was collecting money to give to the Lord. He asked her how old she was and when she told him just 17, he replied that he was 72, would see the Lord long before she would so he would give him the money direct.

Mr. and Mrs. Joseph Moon who recently purchased a home in Palm Desert entertained with a lovely cocktail party Saturday evening before attending the Sweetheart Ball. Guests included Mr. J. Nelson Kelly from Stamford, Connecticut; the Sam Moores from Mantua, Ohio, and Stewart Whipple from Portland, Oregon. Local guests were the Al Petersons and Millie Mitchell; the Ed Reicherts; Otto and Audrey Allgoewer; Mr. and Mrs. Ross Rehart; Pete and Dorothy Peterson; Margaret Ward and yours truly.

Friends and neighbors of Peggy and Hal Davis were quite concerned when they failed to arrive as usual on Friday night—it was the first time they missed getting down on Friday night since they purchased their little home two years ago. However, they made it on Saturday, thereby maintaining their record of not missing a weekend at Palm Desert in over two years!

**SHADOW MOUNTAIN ECHOES:** Mr. and Mrs. R. K. Hanson, owners of the Palm Desert Patio Shops, have arrived from Pittsburgh for a ten-day visit and are stopping at the Fred Markleys. Mr. and Mrs. Herbert Harper the vice president of the Stockton Savings & Loan Co.) were guests

of the Otto Allgoewers over the weekend. They were greatly impressed with Palm Desert on their first visit. Mr. and Mrs. Neal Harris are the new owners of the Garrison-Shepard Apartments, and the Olin Garrisons turned around the same day and purchased the Duane Wana-maker. Houseguests of the John Robertson Macartneys this week are Mr. and Mrs. Harry Whitney from Providence, Rhode Island; Gabby Hayes has to return to New York after a brief vacation from his TV shows.

## Hotel Oasis Hosts Many from Afar

Checking in at Hotel Oasis this month, are guests from all corners of America who have been meeting there for more than 20 years.

Among those arriving for the remainder of the season are Mr. and Mrs. Volney Richmond and the U. M. Dickeys, all of Seattle. Arriving from another direction is Mrs. David B. Crawford of Parkville, West Virginia (her brother-in-law once owned the Oasis and the family has been coming ever since). With Mrs. Crawford is her daughter, Helen.

From Lake Forest, Illinois, have come Mrs. H. B. Clow with her two daughters, Helen and Marion, also staying the entire season. Dr. and Mrs. Frederick R. Stokes and Mrs. E. S. Ringrose, of San Francisco, are sunning by the pool daily. Mr. and Mrs. Walter Dake, of Milwaukee, are back for the season. They divide their time between Palm Springs and La Jolla, where Mr. Dake has built several houses. Returning for their second visit this season are Mr. and Mrs. Lee R. Hubbard, Portland.

## Gaslight Gaieties Goes Over with Customary Acclaim

Presented in a beer garden sional Women's "Gaslight Gaieties" went over big with the style, the Business and Professions audiences that gathered at Wars Memorial hall Friday and Saturday nights.

This was the fifth annual production of the home talent show with its all-feminine cast. The play "Dora the Beautiful Dishwasher," and the clever olio acts rocked the audience with laughter.

Husbands of cast members wore handlebar moustaches and sleeve garters, while they served beer, coffee and sandwiches.

The olio acts presented Wilma Oertle in "More to Be Piled than Censored," and similar solo numbers; Helen Morris with "Ballin' the Jack"; Ida Keeney as the Memory Girl, leading community singing; and Jeanne Keller singing old favorites.

Dancing girls were Barbara Root, Eunice Tiss, Mary McGraw, Estelle Schiller, and Grace Weatherford.

Lois Lux was accompanist for the olio acts.

Old timers with the show were Villain Louise Purnell, Heroine Wilma Oertle, handsome hero, Helen Morris. Others were Lola Waeck, Georgia Kettmann, Vera Langston, and Edith Goldberg.

Proceeds of the show go to a local charity.

## Comedy of Bull Arena Featured at Padua Hills

Jose Alba will play the title role in "Manolo," the Mexican Players' original comedy of a hard-working woodcutter, who dreamed he was a bullfighter, which had a festive opening Wednesday, at the Padua Hills theater.

Other principals of a romantic quadrangle in the rollicking play will include Gilberto Flores, Ysabel Alba, and Jacinta Chavez. Important character roles will be taken by Francisco Velazquez, Conchita Gallardo, Micaela Velazquez, Gregorio Valadez, Portifera Lerma, Armando Neri, Jose O'Besos, and Juan Soto.

The play, with dialogue in English, is based on an original story by Hilda Ramirez de Jara, and has its setting in the State of Michoacan, home of the Tarascan Indians, whose colorful costumes, quaint ceremonials, and spectacular dances are introduced in the comedy.

The dream sequence of the play, in which some of the technique of the art of bullfighting is introduced, promises to be one of the most engaging demonstrations of the ability of the Mexican Players to create hilarity with pantomime.

"Manolo," with ornate settings featured, will be staged Wednesday through Saturday evenings and Wednesday and Saturday afternoons, through March 28.

## around the... TENNIS CLUB

By Beth Scott

The Howard Shoup fashion showing scheduled tomorrow night at the Tennis club will bring to Palm Springs the most outstanding custom made clothes ever shown here.

Mr. Shoup, who will bring several gowns from forthcoming motion pictures which are his design, will also be commentator at the show. Seldom has such a couturier collection been shown. The designer made gowns for "The Eddie Cantor Story," "The Jazz Singer," "Calamity Jane" and now is working on costumes for "No Escape." In this last picture the models will be wearing \$10,000 worth of Howard Shoup originals. This set represents a swank San Francisco dress salon, and will have a fashion show sequence running near 10 minutes. A long time for one fashion show on film.

The Tennis Club show will be a supper show with Bruce Davis' orchestra playing for dancing between numbers. Reservations are pouring in with many coming from Los Angeles. Dr. Hugo Kerston, director of the Cancer Clinic in Los Angeles, which will benefit from the show here tomorrow night, with Mrs. Kerston will be present. Many local members are making up parties for the glamorous show.

Last week's Valentine dinner dance was colorful with decorations and lovely gowns. One dinner party hosted by Dr. and Mrs. John Costello met first at the couples home for cocktails. At their table dancing to the Tennis Club orchestra rhythms were Messrs. and Mmes. Ernest Pegano, Owen Churchill, Thomas J. Fleming, Martin Samuelson, of Los Angeles, and Mrs. Walter McManus.

Mrs. Henry Reid was a luncheon hostess for a group of 35 friends who after luncheon played bridge in the Lanai Room.

One very gay table at a recent evening's dancing hour were Mr. George Mason, of Detroit, president of Nash Kelvinator; Mrs. Mason, Mr. and Mrs. Lou Manseau, the Sam Taylors, Mrs. Douglas Kenaston, Pat Geyer and the Charles Swartzbanges.

The Austin McManuses presided at a table one evening this week to compliment their house guests, Dr. Lee A. du Bridge, president of California Institute of Technology and Mrs. du Bridge. Others in the party were Mr. and Mrs. Theodore Larson (she is the former Carol Dempster) who are on their annual visit here from Connecticut; Lady Irene Plymouth, of England, Reginald Schisler of Indio, Mr. and Mrs. Dick Edwards.

Mrs. C. E. Woodside chose the Tennis Club for the luncheon she gave for Mrs. du Bridge this week.

Among those presiding at dinner parties were Mr. and Mrs. Joseph Froggatt, 14; Mr. Leonard Keith of Redlands, Mrs. William F. Schlothman, Mrs. John de Venne, William F. May and others.

Desert Bar association will hold a cocktail party in the Tennis Club tomorrow afternoon (Feb. 20th).

Calling the Tennis Club bungalows home for the next week are Mr. and Mrs. D. Wilnot of Pittsburgh, Pa. (he's vice-president of Aluminum Corp. of America). Others in the bungalows are Mr. and Mrs. R. A. Paterson, Spokane; Mr. and Mrs. Harold Bayly, Woodland Hills; Mr. and Mrs. Fred Kohlenberg, Scarsdale, N.Y.; Mr. and Mrs. A. H. Moffitt, Jr., Alameda, Mr. and Mrs. A. J. West, San Marino; Mr. and Mrs. L. W. Burch, New York; Mr. and Mrs. Ralph Samson, San Marino and Mr. and Mrs. Courtney Burton, Gates Mills, Ohio.

It was a 30th wedding anniversary for the H. J. Blighs of Chicago, who are building a winter home here, which inspired the party given Saturday night by the Joseph Froggatts at the Tennis Club.

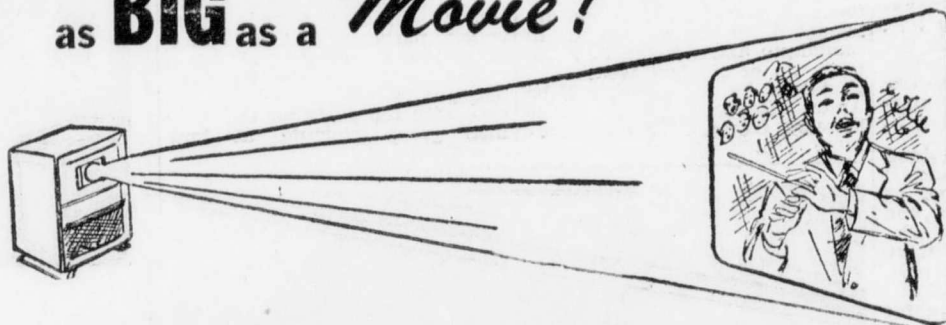

Those joining in the celebration were the hosts' houseguests Mr. and Mrs. Robert Miller, Montclair, N.J. and Mr. and Mrs. C. F. Germaine, East Orange, N. J. Also at the party were Mr. and Mrs. Barney Genbach, Mr. and Mrs. Ed Sayre and the Frank Bogert.

Another recent party in the Club brought a group of eastern visitors in Palm Springs together when Mr. and Mrs. Chares Runkle, who are spending the winter at Ingleside Inn, from Zanesville, Ohio, entertained a group of friends.

AT PLAYHOUSE — Comedian Teddy Hart is featured in the production "Three Men on a Horse," that is playing at Herb Rogers' Playhouse this week.

## Teddy Hart Scoring Hit at Playhouse

Comedian Teddy Hart currently is rocking spectators with laughter with his highly amusing characterization of "Frankie," the bookie, in "Three Men on a Horse," at the Palm Springs Playhouse. He originated the role on Broadway some years ago, and has played the part so many times he has lost count of the number of performances. "In 'Three Men on a Horse,' Hart is supported by a splendid New York cast, including Mary Fosselt, Bernard Hughes, Michael Hayes, Helen Stenborg, Tim O'Connor, Joe Israel and Ed Matousek. The production was staged by Michael Ferrell, under Rogers' supervision, and is one of the series of 15 shows scheduled for the current season at the popular theater on Sunrise way.

## Diane Hand-Knit Creations at Howard Manor Saturday

The elegantly simple hand-knit creations of Diane of Beverly Hills will be shown in a worthy setting on Saturday at 1:30 p. m. when Diane presents a sparkling fashion show poolside at Howard Manor in Palm Springs.

Diane will show her complete lines of fabulous and famous dresses and sportswear which have been worn by the best-dressed women of the world—including Gene Tierney, Marilyn Monroe, Liz Taylor, Gussie Moran, Audrey Totter, and many more.

Her penchant for soft colors—grays and aquas—will be noticed outstandingly beside the exquisite loveliness of Howard Manor with its gorgeous pool and well-manicured lawns.

Diane employs several hundred handicapped persons in connection with her Beverly Hills salon, and will need many more to supply creations for her new Palm Springs shop on North Palm Canyon drive.

After the fashion show, Bud Lyndon of the Pasadena Athletic club will present a fascinating aqua show, highlighting double

Olympic champion Pat McCormick, Olympic Diving contender John McCormack, and national individual synchronized swimming champion June Taylor, who performs miracles in water. This combination of Howard Manor, the fashion inspirations of Diane, and the breath-taking water carnival just can't be topped—and many society and entertainment notables will be present to view and to cheer.

## Piedmont Guests at Smith Home

Mr. and Mrs. Robert Kittelman and son Alan, of Piedmont and Honolulu, are guests of the Arizans at the home of Mrs. Kittelman at 790 Paseo de Anza. Mrs. Smith and Mrs. Kittelman were classmates in Piedmont.

The Smiths entertained at a dinner party at their home Saturday night, honoring the visitors and they will be attending the Riverside County Fair and National Date Festival.

## I RISE TO REMARK

By CONGRESSMAN JOHN PHILLIPS

This weekly letter reported, several times in the past few years, that sales of the smaller Treasury bonds, held by individuals, were in excess of purchases. I also reported my discovery, a year ago, that these bonds were being used by the Treasury, obviously to peg the U. S. bond market, instead of the issues intended for the investment of government trust funds. This produced a long explanatory letter from the Secretary of the Treasury, but I observed, in succeeding months, the practice was discontinued.

I now rise to remark that in January, 1953, the people bought \$68,000,000 MORE savings bonds than they cashed during the month. To me, as an observer, this is evidence of an increased confidence in the government.

**YOUR CONGRESSMAN** has a new honor. I have been appointed, by Speaker Martin, as one of the two House members on the Board of Directors of the Columbia School for the Deaf. I have been interested in this school for almost ten years. There is no school like it in the world. Sometime, when I run out of other subjects for this weekly letter, I shall tell you about that institution. We have several graduates living now in the 29th District.

On the morning of the 9th, I attended my annual breakfast with the Boy Scouts of America. As I have told you before, the Scouts bring picked members from each of the Districts, once a year, to Washington to make an annual report to the President and to Congress. This time the California boy came from Tracy. It is an annual inspiration to attend this breakfast meeting. The international "Jamboree" will bring 50,000 Scouts to Orange county this coming July.

ON THE 12TH, I broke down my resistance against making speeches during the time of committee hearings, and went over to Philadelphia, to make a Lincoln Day address before the German American club, one of the most historic in the country. I also attended, as a guest, the Lincoln Day dinner at that citadel of Republicanism, the Union League. I talked to the German town brethren about three great Republicans: Eisenhower, Moses and Lincoln. They seemed to enjoy it. I know it did me good to get away from the grind for a day.

Would you like a good example of the workings of the bureaucratic mind? We started our regular hearings on the 16th, but in the days previous to that, I called my subcommittee together and mopped up some supplemental requests (deny some, closing one agency, and cutting all other requests an average of 32%). We heard some incidental matters.

**ONE HAD TO DO** with the office of Rent Stabilization, under the recently resigned administrator, Tighe Woods. It appears that, in June 1950, several of the higher rank members of that staff decided they needed some cash, for personal reasons. One was the Solicitor of the agency, who developed the novel idea that by "resigning," they could take out IN CASH the equivalent of the accumulated vacation time. In his case, this was \$3654.75. For the 49 top employees involved, the total was \$86,260.88.

The following day, all of them were back at their regular jobs, as usual, but this time as "temporary employees." After the period of 90 days, during which a return to the status of permanent employees would have required them to repay a proportionate part of the money withdrawn, they then returned to the permanent rolls, not missing a day, but note this, on this transfer back from "temporary" to "permanent" status, an additional amount of leave had accrued, at a slightly increased rate for temporary employees, and this they all took out again, in cash.

**THERE WERE** 2600 employees in that agency, but only a little clique of 49 were given this discriminatory treatment. I wonder how the others will like it, when they learn about it. How do you taxpayers like it? The sad part is that the law, at that time, since changed, apparently made this technically legal, even if completely unethical.

The new appointed Administrator of this agency, who took office on the 9th, promptly suspended the three ringleaders. My subcommittee hopes he can make it stick. We will make sure, in our bill, that it can't happen again. All Civil Service suffers by such actions.

**THIEF RAIDS CAR**. Stanley Jaloff, 855 East Sunny Dunes road, reported to police Tuesday the theft of clothes and golf equipment from his car.

## Izetta Jewel Tells Club of World Affairs

Speaking on the topic "All the World's a Stage," Izetta Jewel reviewed the world today from the woman's angle, when she addressed the Palm Springs Woman's club Monday afternoon.

Dramatic excerpts from plays and sparkling anecdotes gleaned from a background which includes radio, television, theater and public affairs, plus the vitality of the speaker herself made the talk a fascinating one.

The speaker was presented by Mrs. Randall Henderson, program chairman.

During the business session, which was presided over by Mrs. S. P. Manasee, a nominating committee was chosen. The committee, headed by Mrs. Clare Kinne, consists of Mmes. James Geggie, Cota Henderson, Charles Henderson, and Walter Fifield. They are to report at the next club meeting on March 2.

Refreshments were served from a tea table, arranged with bouquets of spring flowers. Mrs. Foster Simonson was in charge of decorations and Mrs. William Lippman was tea chairman.

## Anti-Fly

New Fertilizers Tested in Village

Two samples of humus material are now under investigation by the city for use as a substitute for fertilizer, City Manager Russell Rink reported.

The samples will be tested on plots at the Polo Grounds, to determine if they are satisfactory. It is hoped that tests will be concluded before the time for planting lawns next year, Rink said.

Council recently discussed banning by ordinance the use of fertilizer to eliminate flies from the Village.

## Patriotic Ball this Evening at Desert Inn

The patriotic Red, White and Blue Ball at the Desert Inn this evening is expected to be a truly gay and colorful affair.

Among those entertaining at this event will be a group of Omaha friends, who annually spend the Winter months here.

This group will include Mr. and Mrs. Jack Allgair, Mr. and Mrs. Gilbert Swanson, Mr. Fletcher Neal, and Mr. and Mrs. J. L. Welch. From San Francisco there will be Mrs. E. R. Walther in company with Mr. and Mrs. W. H. Barry of Atherton.

Other representatives from the northern part of the state will be Mr. and Mrs. Lyman B. Miller of San Francisco and Mr. and Mrs. C. E. Sullivan of Yuba City. At a fashion luncheon at the Desert Inn this noon, DeDe Johnson will show her collection of new clothes.

sign in Palm Springs for the past four years as a part of the adult education program of the Palm Springs high school.

## On the Trails

"The Play Must Go On"—but this week without Ed Matousek of the Palm Springs Playhouse. Ed suffered a mishap on a late evening trail which left his leg badly bruised and Ed badly limping. His horse, either because of darkness or light-blinded, sideswiped a city speed limit sign on Sunrise way which sent them both sprawling. Ed is stage manager for the Playhouse as well as on the cast of those clever and versatile players. We hope Ed is back very soon in both cast and on the trails.

The Desert Riders received a check from the Mounted Police for one hundred and fifty dollars to be applied towards cost of work done on the Tahquitz Canyon trail. The Mounties' donation is gratefully accepted—and as so much more work is necessary before other trails are in good repair—any donation, no matter the amount, will be as gratefully accepted and applied on this needy project. Any one so minded, please contact Tony Burke, Roundup Boss.

Monty Herbert's beautiful Palomino "Golden Posos" is back in the Village with his new owner, F. J. "Jay" Cobbs Jr. of Portland Hunt club, Garden Home, Oregon. Frenchy Small is showing the horse at the Indian Date Horse show . . . Mr. and Mrs.

Marshall Haywood Jr. and son Cary, flew into the Village in their own plane, for a Winter visit. They are guests at the Tennis Club and riders at the Desert Inn Stables. The trio were elated with the Dripping Springs and Wild Horse Mesa ride . . . Mrs. James Kemper Jr. and daughter Sussie, Winter residents, are on the trails daily . . . Wesley Graves of Long Beach has just purchased a small Rancho hereabouts, and has already been seen escorting four gals no-less over the trails for a lunch-a-long-the-way.

Hats off today—to the Clowns and the bronc-riders Pickup man at our recent Rodeo. I wonder how many of that large crowd realized the importance of their performance. The Clowns turned near-tragedy into instant-comedy repeatedly, with only laughter their applause. While the Pickup man in the bronc-riders contests—rides hard into the very midst of those flying hoofs of each and every entry—as just part of his job. Hats off to those gentlemen.

ANITA HASKELL JONES.

William E. Gillie, 156 South Indian avenue, reported to police Tuesday the theft of a tool box containing tools valued at \$75 from the back of his pickup truck.

# Tamarisk Tee Time

By BOBBY TONGE JR.

Johnny Dawson of Thunderbird and Dr. Bud Taylor of Red Hill rate the solid one-two golf favorites for the Tamarisk Country Club's two-day golf party, but with the emphasis on fun, and a handicap event to boot, somebody named Joe might slip in to take the top prize.

A field of 200 players, made up of club members and their invited guests, start gathering tomorrow for the 36-hole event which starts Saturday and concludes Sunday.

The big point of the President's Day tourney is to see that Prexy M. O. Anderson is given a fitting salute, and the membership figures that a fun party is just the thing. So no effort has been spared.

Members have been laying 6 to 1 during the last week that the golfshop, snackbar, office building would not be done in time for the opening day parade off the first tee.

George Forman, chairman of the building committee, figures to get well off those wagers as the workmen make their final touches today so the various departments can move in tomorrow.

Anderson's face will beam at the players on each tee from the special tee markers, the 150-yard markers will be cut-outs of a kilted Scotchman engaged in various activities, the pin flags will have member's hometown names on them instead of the usual numbers. There'll be a tent loaded with food and a uniformed chef to serve the hungry linksmen while a traveling bar will be continually circling the course.

There'll be pari-mutuel betting on the first, second and 36-holes with all the money going back to the players.

There'll be music around the new section of the clubhouse.

And in addition, there will be many valuable and worthwhile prizes given to the various winners.

Asher Levy of Chicago, one of the founders of the club, became the second miracle shooter at the course when he fired a 4-wood shot off No. 2 tee that went directly into the cup.

Mr. and Mrs. S. R. Weinsier of Great Neck, New York, members of the Fresh Meadow C.C., were playing visitors of the club for two weeks and then took out a membership.

The University of Southern California Trojan athletic staff took over for a day with Coach Jesse Hill, Arnold Eddy, Steve Billhimer and Art Neelley being the guests of George Alexander.

A bum baseball decision never caused Lefty O'Doul, of baseball managerial fame, to come so near flying off the handle as did his taking four putts on No. 4 for a 37 on the first nine while playing with Freddy Ickelson and Frank DeGoff of San Francisco.

John Hopkins, member of the Burning Tree C.C. where President Ike played, was the guest of Bob Hudson. Hopkins, rates the government atomic summaries.

Mrs. Marg. Blumenfeld broke a 100 for the first time with a 94. Ben Hogan's teaching pro, Stan Kertes, played the first nine with her and Caddy-master "Scorpy" Doyle played the second nine.

Ben Hogan, along with Bob Mathis of Olympic fame, Gussie Moran of the tennis ranks, were to make a three-dimensional sport short for Sol Lesser at the club during this week.

Stan Kertes says the course was in an inebriated condition the day Bob Howard and Dewey Davis, a one handicapper from Erie, Pennsylvania, played with him.

The Southern California Golf association rating committee of Jim Ferrie, Carl Croft, Frank Hoover, General Stan Ritterhau and Chuck Soper made their rating run of the course last week. They gave the course a 72 rating.

Mrs. Stan Kertes, who has been on the winning women's SCGA team for the past four years (two at old California and two at Riviera), had an enjoyable game with the Weinsiers.

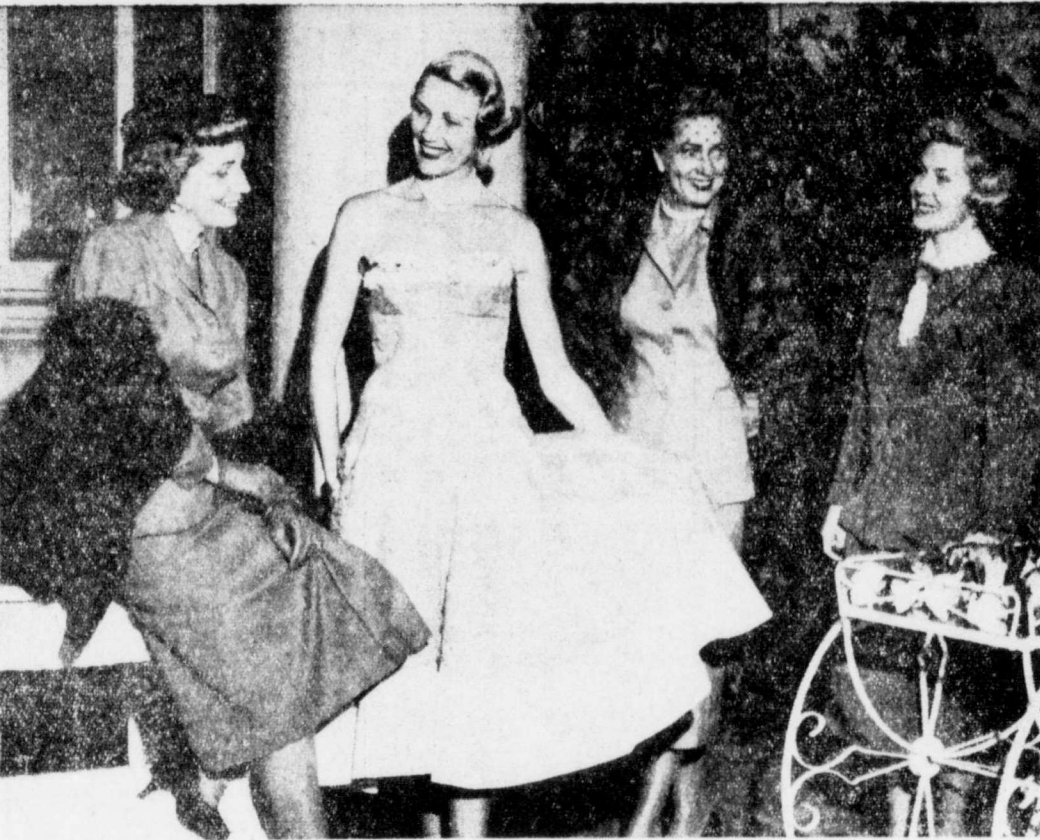

Al Deutsch, former low handicapper from Oakmont C.C. and now a local resident, played the course with an old clubmate, Frank Hardison, who has been prominent in Southern amateur tournaments during the past year.

Dr. Bill McBride is said to be the longest and straightest at the club, a nice 73 is some indication of that straightness.

Sid Lanfield, director of Bob Hope's pictures, and songwriter Johnny Mercer found time from their chores to get over from the City of Angels to play last week.

A couple of members who have yet to play the course are expected in the tournament. Milt Wershow and Abe Lipsey, amateur golfs Jimmy Demaret. Kertes gave Wershow, a good tournament contender, a lesson last week at Hillcrest and says the auctioneer is capable of turning up as the winner.

Ben Hogan has been too busy on the tournament to get in any playing until last Sunday when he went out for the first time in a week and a half with a couple of his close Texas friends, Polard Simons and Bob Walker of Dallas and Paul G. Hoffman, the Studebaker man.

**FASHIONETTES** — Modeling at the Howard Shoup supper show at the Tennis Club tomorrow evening will be the Fashionettes, sponsors of the affair, which is a benefit for the Cancer Clinic of Los Angeles. ## Hel'en Around Hollywood

By HELEN GOULD

Memories Of The Big Town:

Back in the Hollywoods, where the new word is that there's nothing sure but Depth(ies) and Taxes. And no truer word was ever spoken, with every studio hopping on the 3-D bandwagon so that before Fall almost everything will be converted to the new medium. Imagine—three dimension and Marilyn Monroe, too! This is the same revolution that sound caused in the industry almost thirty years ago, and to think it all just about happened while your back is turned for two weeks in New York! What's more, it's a revolution for TV, too. Now a flock of the flaties (old fashioned 2-dimension!) can be turned over to the smaller screen medium! And "they" said the movies were dying! If so, it's the liveliest corpse in history!

Trying to adjust to the Filmville way of life, these things keep running through the mind: THOSE steaks at McCarthy's Steak House—45th street and 2nd avenue, the heart of Newspaper Row. While Winchell was in Florida getting a tan, I sat at his favorite table and felt like a real gone member of the news-paper elite among the beeg newsprint names who have the

best noses in the world for a good steak! McCarthy's is also the home of the Grasshopper, which I am trying to teach Mike Romanoff how to make! It's one drink that's a combination desert and liquor in one. (No objection to drinking the delicious pale green concoction BEFORE that steak, either!)

**ALL THE "MADE-UP"** eyes along Fifth, Madison and Park. Eye makeup, gals, is the big thing, day OR night. At Rubenstein's, they tell me it's not only sweeping this country, but the world . . . Talking of Rubenstein's, ran into Marlene Dietrich and Mala Rubenstein in the salon's elevator—wearing the identical blonde outer coats! Must be the only two like it in existence, and there they were, side by side, in the elevator!

The wonderful "homey" feeling at the Warwick, and the large, spacious rooms. TWO huge walk-in closets in my suite, and you could set up housekeeping in any one of 'em! But why don't they enlarge that intimate, cozy cocktail lounge? Five-thirty any day, looks like everybody in town is trying to squeeze into it, which you can't do with a toothpick. I feel just like the

way Franchot Tone said it, who always makes his home at the Warwick, too: "Kirkeby Hotels are the best in the world" . . . The wonderful, fresh, captivating verve and zip of "New Faces." This intimate little revue has been running for ten months, with a cast that's ALL "New Faces"—and there's nothing brighter on Broadway! . . . And the different kind of captivating charm of Rex Harrison and Lili Palmer in "The Love Of Four Colonels." Sexy Rexy was struggling with a slight hoarseness the night I caught it, which only seemed to make him sexier. "The Love Of Four Colonels" is just what the title implies, for all its strangeness; four different kinds of loves. Seems like a perfect vehicle for the Harrisons, and that's just what it turns out to be! . . . Vanessa Brown, who has the town by the tail, Broadway's new synonym for sex in "Seven Year Itch," running around backstage in white shorts—a California hangover, of course.

**BUT THE STORY** I like best is the one told me by my British hairdresser at Rubenstein's. (You get more stories that way, so thank heaven for hair.) Talking about Ty Power coming into town in "John Brown's Body," she said, "There's a NICE one! Seems this happened while she was in South Africa (these British do get around in the Old Dominion) and Ty flew his plane in. Of course, he was given a

big shindig, and her teen-age daughter, who got invited, was so swoony she couldn't stand it. But when someone was to introduce her, she suddenly got shy and started to run away. In her panic, she knocked Ty's glass out of his hand, and the drink spilled all over him—and her. Without a glance at himself, Ty whipped out his handkerchief and started to mop HER dress up, then GAVE her the handkerchief to complete the job. She slept on the hanky for weeks, her ma told me, and still treasures it! Well, that's NICE relations for Hollywood, and a nice story about ANY celeb who might have been too busy to bother with a mere little girl.

## Grayson's Prize Contest Held at Opening Event

An "easy to enter—easy to win" valuable prize contest was announced today by Grayson's at Indio. The contest will be held in conjunction with the grand opening sale now going on.

The list of prizes, reading like a treasure chest, have been contributed by local merchants and include a box spring and mattress set, a waffle grill, an automatic photograph, an automatic electric toaster and a swivel fishing reel.

"There's nothing to buy, it's simple to enter," stated Manager W. A. Daniel, as he invited everyone to come to the new store at 45-114 Jackson street, Indio, to enter the contest.

According to Manager Daniel, the contest is planned as another outstanding feature of the grand opening as Grayson's comes to the Coachella Valley. Other special events include beautiful Aloha Vanda Orchids to be presented to the first 1000 shoppers and free balloons and free carnival rides for children. Jimmy Wakely, western movie star, will also be at Grayson's Saturday at 10 a. m. to sign autographs.

### a bit about Bob's bees...

These two bees (whom we shall call Clarence and Myrtle, bee-cause those are their names) are often seen around the patio at Howard Manor. One day they were nibbling on some of Andrea's flowers when Myrtle up and said "Clarence, I detect wonderful and savory aromas emanating from Mr. Howard's kitchen. Shall we buzz in and browse about a bit among the goodies?" Clarence frowned. "Are you kiddin'?" he replied. "Bob Howard permits only Grade A meat, Grade A vegetable, Grade A service in that kitchen. Anything resembling a bee is off-limits."

## Palm Springs Rotarians to Mark International Birthday

Palm Springs will be linked with more than 7600 other cities and towns in 84 countries of the world when the local Rotary club will join in the observance of the 48th anniversary of the founding of Rotary International. The Palm Springs club will observe the anniversary, which falls on February 23, at its regular meeting February 25, Jacques Crommelin, president, said.

**DESCRIBING THE PROGRAM.** President Crommelin said: "Rotary activities throughout the world are based on the same general objectives—the development of fellowship among business and professional men, the betterment of communities, leading boys and girls into good citizenship, the promotion of high standards in businesses and professions, and the advancement of good will and peace."

"The one basic objective of Rotary," he continued, "is its 'Ideal of Service'—which is to be thoughtful of and helpful to others. To attain this objective, Rotary seeks all that brings people together and avoids all which separates them. That is the reason why Rotary has become a world-wide institution, whose ideals have been accepted by men of practically all nationalities and political and religious beliefs."

**"THE FIRST ROTARY CLUB** was organized in Chicago on Feb. 23, 1905, by Paul P. Harris, a young lawyer, who suggested the idea to a group of his friends. It was called the Rotary Club, because the first meetings were held in rotation, in the offices of its members."

Palm Springs Rotarians were also looking forward to a visit by men of San Francisco, International Rotary president.

Bruinier will be in Palm Springs as the guest of Kenneth Kirk, president of the Los Angeles club and home owner here.

This employee procurement visit is in furtherance of the policy of the association to provide Summer work for the reliable and efficient Palm Springs employees desiring approximately year-round employment. Col. Clinton E. Fox, manager, reported.

As far as practicable, this service will be limited to those local employees who have work applications on file at the Free Employment office and are presently employed by members of the Employers Association. Col. Fox explained.

**ROTARY FOUNDER**—Paul P. Harris who founded Rotary International on February 23, 1905. Local Rotarians will celebrate the 48th anniversary of the organization next Wednesday.

## Girl Injured in Fall from Auto

## Prizomatic TV Showing Slated for the Weekend

The most important development since the invention of television will have its premiere showing in the lobby of the Desert Farmers Market on Friday, Saturday and Sunday, when Eugene Singer (former Navy Commander and electronics expert) brings his "Prizomatic Projection" television for a demonstration on the Palm Springs Community antennae system. The showing is under the auspices of the Strehle theaters.

The projection television set is a development from the revolutionary color television tube invented by Singer and Dr. Rehnman, USC scientist.

It transmits a picture of any size to a screen for comfortable and easy viewing. The Singer line of sets is now on display at Bullock's in Palm Springs and will also be displayed during the demonstration at the Desert Farmers Market. Singer TV maintains a complete service department in Palm Springs.

Singer has developed a special chassis for fringe reception areas, which he calls the "Palm Springs."

## Carnation Corner

Cherries are much a part of our American life. In Traverse City, Michigan, center of the great "pie cherry" orchards, the annual Cherry Festival draws thousands of visitors. New York is a great cherry state, too. And in California, sweet cherries grow to such a fabulous size—sometimes takes two or three bites to eat them!

Among the finest cherries are the luscious maraschinos you'll be enjoying this month in Carnation Cherry Vanilla Ice Cream. They are *prize* cherries, judged among 12 different varieties! Blended with deluxe Carnation Vanilla Ice Cream, they make a Treat-of-the-Month you'll want to enjoy often!

### HOW TO FOOL THE WIND...

When hanging a coat or dress on the line, use two coat hangers in opposite directions, and the wind can't blow the garment off.

**MAKE CHERRY VANILLA NUT SLICES** by dipping slices of Carnation Cherry Vanilla Ice Cream in chopped pecans or walnuts. Serve at once, with...

### Crisp Sugar Drops

(Makes 8 dozen 2" cookies)  
1 cup butter  
1 1/2 cups brown sugar  
1/2 cup granulated sugar  
2 eggs  
1/2 teaspoon vanilla  
1/4 teaspoon salt  
2 teaspoons baking powder  
3 cups sifted flour  
1/2 cup Carnation Half & Half  
Blend butter, sugar, eggs and vanilla until light and fluffy. Add dry ingredients alternately with Half & Half to butter mixture. Mix well. Drop from a teaspoon to a buttered cookie sheet. Bake in hot oven (400° F.) about 8-10 minutes or until lightly brown. Remove cookies; cool on racks.

**GIVE US AIR**  
CRISP cookies stay crisp if stored in a container with holes punched in the top. Soft cookies need to be kept airtight.

### CHERRY VANILLA ANGEL CAKE SURPRISE!

(Makes 10-12 servings)  
1 10-inch Angel Cake Ring  
1 quart Carnation Cherry Vanilla Ice Cream  
This sounds complicated, but really isn't! The idea is that you make a "ring mold" out of the cake itself. First, cut a wedge shaped ring from the top of the cake, leaving about a half-inch rim on both inner and outer edges. Remove this ring carefully and save it. Now, hollow out the cake, leaving a 1/2-inch shell. Fill with Cherry Vanilla Ice Cream and replace the top ring. Frost the cake if you wish. Place in freezing compartment or freezer. Slice to serve—a delicious surprise!

REMEMBER, all Carnation Ice Creams are pasteurized and homogenized — as pure and good as they taste. Let the whole family enjoy these wholesome treats often!
